

Biology. Kids. Hands-on. Fun.

@ Myford Elementary

# AFTERSCHOOL BIOLOGY

## FOOD SCIENCE: YOUR FOOD IS ALIVE! ✨

September 11 - October 30th, 1:30-2:30pm  
Wednesdays, 8 weeks | \$260, materials included  
Last day to enroll is September 9th, 2024

Come and join us as we learn about the amazing world of food science! We will discuss how some living organisms related to foods such as cheese, honey, bread, and more. Learn the science of sugar, food coloring, nutrition, and more. Your child will be up close with live/fresh organisms/food and engage in cool biology activities. Some of these foods are to take home! No nuts in class but please indicate allergies if any.

### WHAT IS BIONERDS?

Bionerds was founded in Orange County, CA. on September 2015 with a mission to nurture curiosity, share lifetime passion and give opportunities for the younger generation to learn about biology through self-discovery. We believe each individual is a Bionerd. With the right environment provided at a young age, kids will learn and appreciate how amazing living things are. Living things are too amazing not to be wondered about! All Bionerds' teachers are college graduates with Biology or other Science degrees/experiences and have been cleared from the background check, TB, and drug tests. They are also CPR certified.

Voted OC's "Best Science/Tech Camp" in 2016 -2023 and "Coolest After-School Classes in the Country" by Red Tricycle.

## Registration OPEN!
