# FULLERTON ARBORETUM FIELD TRIP

## About the Event

Join us at the Fullerton Arboretum & Botanical Garden for an enriching 1-hour guided adventure and scavenger hunt to explore vast native habitats and gardens. Students and Parents will complete the tour by potting their own succulent plant to take home.

*\*1 Parent Attendee per Family,*

## What is Bionerds?

Founded in Orange County, CA., September 2015, Bionerds's mission is to nurture curiosity, share lifetime passion, and provide opportunities for the younger generation to learn about biology through self-discovery. With the right environment, kids can learn and appreciate how amazing living things are!
