Come join this fun and hands-on biology workshop for kids! Learn about the amazing bugs such as beetles, butterflies, ladybugs. Your child will be up close with live/preserved bugs and perform cool biology activities

All Bionerds' teachers are college graduates with Biology or other Science degrees / experiences, have been cleared in background checks, TB and drug tests, and are CPR certified. Voted OC's "Best Science/Tech Camp" in 2016 -2025 and "Coolest After-School Classes in the Country" by Red Tricycle.

Bionerds inspires curiosity & a love for learning about living things through self-discovery in Orange County since 2015. We believe that, with the right environment, kids can explore & appreciate the wonders of life around them. Your child can be up close with live, fresh, or preserved organisms, perform some dissections and biology activities using lab tools/equipment.
