Biology. Kids. Hands-on. Fun.

## HANDS-ON BIOLOGY

### AFTERSCHOOL FOR GRADES K - 6<sup>TH</sup>

Bionerds inspires curiosity & a love for learning about living things through self-discovery in Orange County since 2015. We believe that, with the right environment, kids can explore & appreciate the wonders of life around them. Your child can be close with live, fresh, or preserved organisms, perform some dissections and biology activities using lab tools/equipment.

Voted OC's "Best Science/Tech Camp" in 2016 - 2026 and "Coolest After-School Classes in the Country" by Red Tricycle.

\*All Bionerds' teachers are college graduates with Biology or other Science degrees / experiences, have been cleared in background checks, TB and drug tests, and are CPR certified.
