**[bionerdsllc.com/registration](https://bionerdsllc.com/registration)**

Come and join this fun and hands-on biology workshop for kids! Learn about the amazing underwater world and awesome marine aquatic creatures, from sea urchin, stingray, jellyfish, and more. Your child will be up close with fresh/preserved organisms, perform many dissections, and engage in cool biology activities using lab equipment/tools.

\*Parents/Guardians have to supervise Kinders in between dismissal and our class start time. No supervision will be provided.
