Winter 2026 - 2027

BIOLOGY CLASSES AFTER-SCHOOL K - 5TH GRADE

Junior Doctors

Fridays,
Nov. 20th - Feb. 5th

9 Classes | No Class: 11/27, 12/25, 1/1
Registration: \$324 /per student

Learn about the incredible world of medicine and medical research! Discover what it takes to be in cardiology, veterinary medicine, neurology, and more! Each lesson focuses on a career in the medical field. Be up close with fresh/preserved specimens, explore anatomy, and engage in cool biology experiments with lab equipment/tools.

- KINDERS NEED TO BE SUPERVISED by parent/guardian or on-site daycare between their school dismissal and our class start time.

**LIMITED SPACES,
